(3) Invalidation of any one of these covenants, conditions, restrictions, easements or agreements by judgment or by court order shall in no way affect any of the other provisions hereof, which such other provisions shall remain in full force and effect.

(5) In the event any person entitled to do so shall bring any action to enforce any of the provisions hereof and such person is successful in such action, such person shall be entitled to recover from any person or persons violating any of the provisions hereof and against whom such action was brought, a reasonable attorney's fee to be fixed by the court.
