

Notice of Public Hearing

NOTICE IS HEARBY GIVEN that a Public Hearing of the Board of Directors of the Cameron Park Community Service District will be held:

March 15th, 2023 at 6:30 p.m.

Cameron Park Community Service District
2502 Country Club Drive
Cameron Park, CA

The intent of this public hearing is to amend the current 2020.3.18 Weed and Rubbish Abatement Ordinance defensible space zone requirements for improved parcels. At the time the 2020.3.18 ordinance was adopted, the defensible space zones mirrored CA Public Resource Code (PRC) 4291 requirements. The zones were purposefully mirrored to ensure consistency for improved parcel inspections in the State Responsibility (SRA) and Local Responsibility (LRA) areas. Soon, CA PRC 4291 will be adding a fourth zone (zone zero). By referencing CA PRC 4291, the proposed and amended Weed and Rubbish Abatement Ordinance will have the same zone requirements as PRC 4291 and will not need to be amended if there are future zone requirement changes.

This hearing is open to the public and any person present will have the opportunity to be heard. For further information regarding this matter, please contact the Cameron Park Community Service District at (530) 677-2231.
