Marshall invites the community to join us for our Kid's Summer Health Fair. Keeping children healthy and helping families access the care and resources they need is our priority.

Join us for a fun, family-friendly event featuring health screenings, wellness resources, sports and annual physicals, community partners, and activities for kids.

This event brings together Marshall providers and local community organizations to support the health and well-being of children and families throughout El Dorado County.

## Event Includes:

- Sports and Annual Physicals
- Health Screenings and Resources
- Community Partners
- Family-Friendly Activities
