

# CAMERON PARK COMMUNITY SERVICES DISTRICT

Cameron Park, California

## REQUEST FOR PROPOSALS (RFP)

### **WEED AND RUBBISH ABATEMENT SERVICES**

#### **INTRODUCTION**

The community of Cameron Park is located in the foothills of El Dorado County, on the west slope of the Sierra Nevada along U.S. Highway 50, about 30 miles east of Sacramento, California. The overall population of Cameron Park is 19,171 (2020 US Census) and the CPCSD itself encompasses an area of 8.3 square miles.

The Cameron Park Community Services District is an independent California Special District governed by a five-member elected Board of Directors. The District provides parks, recreation, facilities, CC&R enforcement, and fire protection services to the Cameron Park community.

The CPCSD administers fire and emergency services, recreation programming, parks & facility maintenance and reservations, CC&R (covenants, conditions, and restrictions) enforcement, architecture review, solid waste disposal & recycling, and lighting and landscaping. The CPCSD operates two fire stations, ten parks, 19 lighting & landscape districts and a community center with a regionally recognized pool.

More information about the District can be found on the website at [www.cameronpark.org](http://www.cameronpark.org)

#### **NOTICE IS HEREBY GIVEN:**

That the Cameron Park Community Services District will receive proposals from contractors for WEED AND RUBBISH ABATEMENT as outlined in this RFP by the date and at the address listed below:

#### **PROPOSALS DUE:**

Monday, July 6th, 2026, 5:00 PM

Attn: Alex Bourriague, Wildfire Mitigation Coordinator  
Cameron Park Community Services District  
2502 Country Club Drive  
Cameron Park, CA 95682

#### **SECTION 1: INTRODUCTION**

## 1.1 Statement of Purpose

The Cameron Park Community Services District ("District") is requesting proposals from qualified contractors to provide Weed and Rubbish Abatement services in support of the District's fire prevention operations.

The District provides fire protection services through a cooperative partnership with CAL FIRE and seeks qualified contractors capable of proven expertise in weed management to abate fire hazards on private property located within the jurisdiction of the District in accordance with its requirements and in a professional manner.

The District intends to award one or more \_\_\_\_\_ Agreements to qualified contractors. Selection under this RFP does not guarantee any minimum amount of work, compensation, or issuance of Task Orders.

## 1.2 Scope of Services

Properties identified in Exhibit "A" of this RFP shall be maintained by the Contractor in accordance with Exhibit "B", *CPCSD Ordinance No. 2025.05.21, WEED AND RUBBISH ABATEMENT*, of this RFP. The following abatement provisions shall be accomplished by the Contractor as part of the services provided to the District:

- a. Any Unimproved parcel of less than two acres (2 ac.) shall be cleared of all hazardous vegetation and rubbish. Weeds, non-cultivated pastures, or other hazardous vegetation shall be mowed and cut to maximum height of four inches (4 in.), so as to not constitute a fire hazard throughout the year.
- b. Any Unimproved parcel, or multiple contiguous parcels under the same ownership, consisting of more than two acres (2 ac.) shall be cleared of all rubbish and shall either be cleared of all hazardous vegetation and mowed and cut to a maximum height of four inches (4 in.), or shall construct and maintain a minimum thirty-foot wide firebreak around the perimeter of the property. Firebreaks will be disked, and can also be scraped, provided that the scraped material is removed or spread evenly over the remaining property.
- c. Remove tree limbs six feet (6ft) from the ground.
- d. The District's enforcement official or his/her designee may require a firebreak to a maximum of one hundred feet (100ft) in width, if the department is that the property or adjoining structures will be at risk from an approaching fire. These factors shall include fuel type(s), topography, and the environment where the property or adjoining structure(s) is located.
- e. Dry leaves or wood chips located on parcels must be disked or turned under or evenly broadcast over the parcel area. If leaves or wood chips are being retained for the purpose of mulch or compost, they must be packed in a container so as to not constitute a fire hazard.

## 1.3 Methods

All abatement performed under this contract shall be by disc, bulldozer, mowing, chipping, goats or vegetation removal equipment.

## 1.4 Equipment

All equipment shall be in reliable and safe condition meeting all applicable codes (e.g. ANSI, OSHA, etc.) and suitable for producing the required quality of work. Gasoline or diesel fueled

equipment used in grass or brush areas shall be equipped with an approved spark arrester. Every operator of every vehicle or piece of equipment used for the work of this District shall be skilled and competent in the operation of said equipment. The Contractor may own or sub-contract any of the necessary equipment. The Contractor shall have provisions for immediate replacement of any equipment or operator that may become inoperable.

### 1.5 Photographs

The Contractor shall take photographs of the hazard to be abated PRIOR to commencement of the abatement. Photographs shall also be taken AFTER the completion of the actual physical abatement. These photographs shall include the parcel number of the subject parcel in the image. Multiple photographs may be required at different viewpoints to encompass a view of the entire parcel clearance performed.

## **SECTION 2: SUBMITTAL DEADLINE**

Proposals shall be submitted in writing no later than the deadline specified on page 1. Contractors shall respond to the written RFP and any exhibits, attachments, or amendments. A responding contractor's failure to submit a proposal as required before the deadline shall cause the proposal to be disqualified.

Responding contractors assume the risk of the method of dispatch chosen. The District assumes no responsibility for delays caused by any delivery service. Postmarking by the due date shall not substitute for actual receipt of the proposal by the District. Late proposals shall not be accepted nor shall additional time be granted to any responding contractor.

Proposals may not be delivered orally, by facsimile transmission, or by other telecommunication or electronic means.

## **SECTION 3: GENERAL REQUIREMENTS AND INFORMATION**

The administrative requirements of this RFP shall substantially mirror the District's standard procurement requirements and include:

### 3.1 District Contact

Alex Bourriague, Wildfire Mitigation Coordinator  
Cameron Park Community Services District  
2502 Country Club Drive Cameron Park, CA 95682  
[abourriague@cameronpark.org](mailto:abourriague@cameronpark.org)

### 3.2 Required Review and Waiver of Objections by Responding Contractors

Responding contractors should carefully review this RFP and all attachments, including, but not limited to, the *Standard Contract*, for comments, questions, defects, objections, or any other matter requiring clarification or correction (collectively called "comments"). **Comments must be made in writing and received by the District no later than Monday July 6<sup>th</sup> at 5:00pm** (Deadline for Written Comments). Questions can be faxed or emailed to [abourriague@cameronpark.org](mailto:abourriague@cameronpark.org). This will allow issuance of any necessary amendments and help prevent the opening of defective proposals upon which contract award could not be made.

Objections shall be considered waived and invalid if not brought to the attention of the District, in

writing, by the Deadline for Written Comments.

### 3.3 Proposal Submission Requirements

Proposals shall be submitted in the format prescribed by this RFP.

### 3.4 Proposal Preparation, and Negotiation Costs

The District shall not be responsible for and/or shall not pay any costs associated with the preparation, proposal, or presentation of any proposal, or costs incurred by the responding contractors during the interview and negotiations phase of the solicitation process.

### 3.5 Proposal Withdrawal

To withdraw a proposal, the responding contractor must submit a written request, signed by an authorized representative, to the RFP Coordinator. After withdrawing a previously submitted proposal, the responding contractor may submit another proposal at any time up to the deadline for submitting proposals.

### 3.6 Proposal Amendments

The District shall not accept any amendments, revisions, or alterations to the proposal after the deadline for the proposal.

### 3.7 Proposal Errors

Responding contractors are liable for all errors or omissions contained in their proposal. Responding contractors shall not be allowed to alter proposal documents after the deadline for submitting a proposal.

### 3.8 Incorrect Information

If the District determines that a responding contractor has provided, for consideration in the evaluation process or contract negotiations, incorrect information which the responding contractor knew or should have known was materially incorrect, the proposal may be rejected in the District's sole discretion.

### 3.9 Exceptions to District Requirements

Any exceptions to the District's Professional Services Agreement must be clearly identified.

### 3.10 Assignment and Subcontracting

3.10.1 The selected contractor(s) may not subcontract, transfer, or assign any portion of the contract without prior written approval from the District. Each subcontractor / subconsultant must be approved in writing by the District in its sole discretion. The substitution of one subcontractor / subconsultant for another may be made only at the discretion of the District and with prior written approval from the District.

3.10.2 Notwithstanding the use of approved subcontractor / subconsultant, the selected contractor(s), if awarded a contract under this RFP, shall be the prime contractor and shall be responsible for all work performed.

### 3.11 Alternate Services

Proposals of alternate services (i.e., proposals that offer something different from that requested by the RFP) will be considered non-responsive and rejected.

### 3.12 Additional Services

If a responding contractor indicates the capability and offers services in addition to those required by and described in this RFP, these additional services may be added to the contract before contract signing, at the sole discretion of the District. The cost for any such additional services shall be mutually agreed upon by the selected contractor(s) and the District, and incorporated into the contract before contract signing.

### 3.13 Insurance

Insurance requirements shall be as set forth in the District's Professional Services Agreement.

### 3.14 Licensure and Certifications

Consultants shall possess all licenses and certifications required to perform the services proposed.

### 3.15 Conflict of Interest and Levine Act Compliance

By submitting a proposal, the responding contractor certifies that no amount shall be paid directly or indirectly to an employee or official of the District as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the responding contractor in connection with the procurement under this RFP.

All responding contractors must complete a Levine Act Statement as part of their proposal. The Levine Act Statement is included in Attachment 3.1

### 3.16 RFP Amendment and Cancellation

The District reserves the unilateral right to amend this RFP in writing at any time. The District also reserves the right to cancel or reissue the RFP at its sole discretion. The District shall post copies of the RFP and amendments on the webpage under [www.cameronpark.org](http://www.cameronpark.org) and it shall be the responsibility of the responding contractor to monitor the posting of written responses. Responding contractors shall respond to the final written RFP and any exhibits, attachments, and amendments.

### 3.17 Right of Rejection

3.17.1 The District reserves the right, at its sole discretion, to reject any and all proposals or to cancel this RFP in its entirety.

3.17.2 Any proposal received which does not meet the requirements of this RFP may be considered to be non-responsive, and the proposal may be rejected. Responding contractors must comply with all of the terms of this RFP and all applicable state and local laws and regulations. The District may reject any proposal that does not comply with all of the terms, conditions, and performance requirements of this RFP.

3.17.3 Responding contractors may not restrict the rights of the District or otherwise qualify their proposals. If a responding contractor does so, the District may determine the proposal to be a non-responsive counteroffer, and the proposal may be rejected.

3.17.4 The District reserves the right, at its sole discretion, to waive variances in proposals provided such action is in the best interest of the District. Where the District waives variances in proposals, such waiver does not modify the RFP requirements or excuse the responding contractor from full compliance with the RFP. Notwithstanding any variance, the District may hold any responding contractor to strict compliance with the RFP.

### 3.18 Disclosure of Proposal Contents

All proposals and other materials submitted in response to this RFP procurement process become the property of the District. Selection or rejection of a proposal does not affect this right. All proposal information, including detailed price and cost information, shall be held in confidence during the evaluation and selection process. Upon the completion of the evaluation and selection process, indicated by approval of a contract for services emanating from this RFP by the District Advisory Board or by rejection of all proposals, the proposals and associated materials shall be open for review by the public to the extent required by the California Public Records Act. By submitting a proposal, the responding contractor acknowledges and accepts that the contents of the proposal and associated documents shall become open to public inspection.

### 3.19 Proprietary Information

The master copy of each proposal shall be retained for official files and will become public record after the award of a contract unless the proposal or specific parts of the proposal can be shown to be exempt by law. Each responding contractor may clearly label part of a proposal as "CONFIDENTIAL." In doing so, the responding contractor thereby agrees to indemnify and defend the District. The failure to so label any information that is released by the District shall constitute a complete waiver of all claims for damages caused by or related to any release of the information. If a public records request for labeled information is received by the District, the District will endeavor to notify the responding contractor of the request and delay access to the material until seven (7) working days after the District's receipt of the public records request. Within that time delay, it will be the duty of the responding contractor to act in protection of its labeled information. Failure to so act shall constitute a complete waiver.

### 3.20 Severability

If any provision of this RFP is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the District and responding contractors shall be construed and enforced as if the RFP did not contain the particular provision held to be invalid.

## **SECTION 4: SPECIAL REQUIREMENTS**

### 4.1 Joint Ventures and Partnering

Proposals from joint ventures or entities partnering for a specific service must be designed to minimize any administrative burden on the District as a result of the participation of multiple entities.

4.1.1 The proposal shall clearly set forth the respective responsibilities and functions that each Principal of the joint venture or partnering entities would perform if awarded a contract pursuant to this RFP.

4.1.2 The proposal must include a copy of the joint venture or partnering agreements that identify the Principals involved, as well as their rights and responsibilities regarding a contract pursuant to this RFP.

4.1.3 The proposal transmittal letter must be signed by each Principal of the joint venture and include all required information.

#### 4.2 Multiple Contractor Awards

The District reserves the right to award agreements to one or more qualified contractors.

#### 4.3 No Guarantee of Work Volume

The District makes no guarantee regarding the quantity of services, compensation, or Task Orders that may result from this RFP.

### **SECTION 5: PROPOSAL FORMAT AND CONTENT**

#### 5.1 General Proposal Requirements

5.1.1 The District discourages lengthy and costly proposals. Proposals should be prepared simply and economically and provide a straightforward, concise description of the responding contractor's capabilities to satisfy the requirements of this RFP. Emphasis should be on conformity to the District's instructions, requirements of this RFP, and completeness and clarity of content.

5.1.2 Responding contractors must follow all formats and address all portions of the RFP set forth herein providing all information requested. Responding contractors may retype or duplicate any portion of this RFP for use in responding to the RFP, provided that the proposal clearly addresses all of the District's information requirements.

5.1.3 Responding contractors must respond to every subsection under the proposal and fee schedule sections below. Responding contractors must label each response to RFP requirements with the section and subsection numbers associated with the subject requirement in this RFP (e.g., the response to the second requirement of the proposal Transmittal Letter would be labeled 5.2.1.2). **Failure to follow the specified format, to label the responses correctly, or to address all of the subsections may, at the District's sole discretion, result in the rejection of the proposal.** Proposals must **not** contain extraneous information. All information presented in a proposal must be relevant in response to a requirement of this RFP, must be clearly labeled and, if not incorporated into the body of the proposal itself, must be referenced to and from the appropriate place within the body of the proposal. Any information not meeting these criteria shall be deemed extraneous and shall in no way contribute to the evaluation process.

5.1.4 Proposals shall be prepared on standard 8 1/2" x 11" paper. Foldouts containing charts, spread sheets, and oversize exhibits are permissible. All responses, as well as any reference material presented, must be written in English. All monetary amounts must be detailed in United States currency. All proposal pages must be numbered. Proposals shall not include unnecessary company advertisement material.

## 5.2 Proposal Contents

### 5.21 Proposal Transmittal Letter

The proposal must provide a written transmittal and offer of the responding contractor in the form of a standard business letter. The Proposal Transmittal Letter shall reference and respond to the following subsections in sequence and attach corresponding documentation as required. Each proposal must meet the Proposal Transmittal Letter requirements and provide all required documentation. A Proposal Transmittal Letter is mandatory and failure to provide the information as required may result in the proposal being considered nonresponsive and rejected.

5.2.1.1 The letter shall state that the proposal remains valid for at least sixty (60) working days subsequent to the proposal due date and thereafter in accordance with any resulting contract between the responding contractor and the District.

5.2.1.2 The letter shall provide the complete name of the individual or the contractor making the proposal.

5.2.1.3 The letter shall provide the name, mailing address, and telephone number of the person the District should contact regarding the proposal.

5.2.1.4 The letter shall state whether the responding contractor intends to use subcontractors. If so, clearly identify the names of the subcontractors/sub-consultants along with complete mailing addresses and the scope and portions of the work the subcontractors / sub-consultants shall perform. (NOTE: The selected contractor(s) must obtain written approval from the District prior to the use of any subcontractors).

5.2.1.5 The letter shall state whether the responding contractor or any individual who shall perform work under the contract has a possible conflict of interest and, if so, the nature of that conflict. The District reserves the right to cancel an award if any interest disclosed from any source could either give the appearance of a conflict of interest or cause speculation as to the objectivity of the offer. Such determination regarding any questions of conflict of interest shall be solely within the discretion of the District.

5.2.1.6 The letter shall also include a statement of acknowledgement that the District's *Standard Contract* (Section 10) has been reviewed and accepted with or without qualification. If qualifications are involved, those items requiring adjustment or modification must be identified and listed along with suggested modifications to the contract. If no modifications to the Contract are noted, then the District will assume that the responding contractor is capable of performing all normal managerial tasks and services without reservation or qualification to the contract.

5.2.1.7 The letter shall be signed by a company officer empowered to bind the responding contractor to the provisions of this RFP and any contract awarded pursuant to it. If said individual is not the company president, the letter shall attach evidence showing authority to bind the company.

### 5.22 Contractor Qualifications and Experience

Proposals shall provide the following information (referencing the subsections in sequence) to evidence the responding contractor's experience in delivering services similar to those required by this RFP:

5.2.3.1 A brief description of the responding contractor's background and organizational history.

5.2.3.2 Years in business.

5.2.3.3 A brief statement of how long the responding contractor has been performing the services required by this RFP.

5.2.3.4 Form of business (i.e., individual, sole proprietor, corporation, non-profit corporation, partnership, joint venture, Limited Liability Company, etc.).

- Experience performing tasks listed in Section 1.2 of the RFP.

Limit: One project per page.

**5.2.3.13** Describe in detail, work that the responding contractor has directly performed on a maximum of four (4) projects that shows:

- A demonstrated ability to perform the services listed in Section 1.2 for a municipality or special district.
- A demonstrated ability to meet project deadlines, major milestone, and overall project schedule

Limit: One page per project.
