Overview:

As the summer ended, ARC items increased in neighborhoods to prepare for the winter months ahead. The primary projects were re-roofs.

Staff will continue with ARC newsletter items to assist residents with project needs and direction to outside agencies assistance for those items that are not within the CSD jurisdiction.

Staff is still in need of ARC committee members. Our CSD website and newsletters are posting the request for residents to consider volunteering for the ARC committee.

As a reminder, the ARC committee meets on Tuesdays every other week at the CSD in the Social Room at 8:30 AM.
