Agenda Item #1:	REVISION TO Fire Prevention Specialist Job Description
RECOMMENDED ACTION:	Review and Forward to the Board of Directors for consideration

Introduction

In 2022, the Board of Directors approved creating a new Fire Prevention Specialist position to support the Cameron Park Community Services District weed abatement ordinance education and enforcement, and the fire marshal activities.

Discussion

When the position was vacated in recent weeks, staff took time to review the job description requirements to ensure that the position would be attractive to potential candidates. Adjustments were made to lessen the skill and education requirements to attract a bigger candidate pool. Many of the job functions are taught and learned in a new employee's first few months.
