October 2020

Dear Community Partners,

This year has been unparalleled in so many facets for so many. Our hearts go out to everyone who has been impacted by the pandemic and these difficult times. The Cameron Park Community Services District has had to make difficult decisions to cancel events and programs, as we continue to do our best to keep our community, participants, and staff safe and healthy. With that being said, we want to thank you for your continued participation and support of the programs and services we have been lucky enough to run these past few months.

We are excited to announce that we will be having a “Trail of Treats” at the lake on October 31, 2020 from 10:00am- 1:00pm! Our goal is to provide a safe, socially- distanced event for our community to participate in, and our partners, such as you, a free marketing opportunity to engage with participants!

So what are the details you ask? We are happy to say that this opportunity is Free to our community partners to enter your trunk/booth/space! All we ask is that you provide 2-3 pieces of candy for our participants and your own decorations for your space. We anticipate 125 children to participate. Spaces for booths shall not exceed a 10x10 space. The event begins at 10:00am on Saturday October 31, 2020. You may arrive as early as 8:00am to set-up. Take-down from the event will begin no earlier than 1:00pm. Registration is required. All COVID- related precautions will be in enforced. We ask that vendors/booths wear masks when unable to socially distance, utilize gloves and hand sanitizer frequently.

Our goal is to have at least 30 vehicles/booths on site. We hope that you will join us in giving our community’s children and families an amazing event this year! If you have any questions, please do not hesitate to reach out!

Sincerely,

Kimberly Vickers

Recreation Coordinator
