AGENDA ITEM #1: **PARK IMPROVEMENT PROJECT IDEAS**

RECOMMENDED ACTION: **DISCUSS AND PROVIDE INPUT; APPLY ESTABLISHED RANKING CRITERIA**

Introduction

In March and April, the Parks and Recreation Committee discussed and established criteria for selecting projects for grant funding. Currently, the District has approximately \$600,000 in Park Development Impact Fees. In addition, Proposition 68 Per Capita Allocation and Bell Woods Development Impact and Quimby fees will provide additional financial resources. Staff is also seeking a grant from a playground manufacturer. If the Board approves a grant writer for Fiscal Year 2019-20, additional grant resources may be available. The attached criteria was established to assist the community, staff, and the Board of Directors in selecting the most appropriate projects for the various funding sources.

Background

A few projects were approved by the Board of Directors during the Fiscal Year 2018-19, and are expected to be re-allocated in Fiscal Year 2019-20 because staff was unable to complete the projects.

- New T-Ball Field at Christa McAuliffe Park, \$12,000 funded by Park Development Impact Fees;
- Rasmussen Park Master Plan Update, \$40,000 funded by Park Development Impact Fees;
- Disc Golf Course, \$19,717 funded by Disc Golf non-profit.

Discussion

Additional park improvement project ideas are included in the 2015 Park and Recreation Master Plan, and proposed by staff and community members:

- Replace all playground structures with new and improved playgrounds; add climbing wall
- Repair the baseball field at Rasmussen Park
- Add new sports fields
- Shade structures above playgrounds and at pool
- Trails for bike riding
- Water playground to replace Swimming Lagoon
- Refurbish or replace park restrooms at Rasmussen Park, Christa McAuliffe Park and Cameron Park Lake
- Add walking trail to open space areas for neighborhood walkers
- Improve Dunbar Park; create park master plan
- New Bocce Ball Courts

Conclusion

Staff is seeking input from the community and Parks and Recreation Committee about additional improvement projects. Staff is seeking support from the Parks and Recreation Committee for a list of prioritized improvement projects to be forwarded to the Board of Directors for consideration. Discussion and development of a finalized list could take 1-3 months. This report is intended as a first step to that end.

AGENDA ITEM #1: **CRITERIA FOR SELECTING PROJECTS FOR GRANT FUNDING**

RECOMMENDED ACTION: **REVIEW AND DISCUSS**

Introduction

The Cameron Park Community Services District has funding available for park improvement projects. Some funding already exists, such as Park Development Fees. There will also be funding forthcoming from the recent voter-approved Park Bond, Proposition 68 in a per capita allocation. In addition, grants and donations are available from a variety of state and local agencies and community groups.

Needs in the park system are great, from park restroom renovations to new sports fields. In 2015, a Parks and Recreation Master Plan update was approved by the Board, outlining needs in the District. Funding a grant writer is being discussed for the upcoming fiscal year. The following criteria is being proposed to assist the community, staff, and the Board of Directors in selecting the most appropriate projects for the various funding sources.

Proposed Criteria

Highest Priority/Most Valued

- Safety
- Improvement/Repair to save operational costs
- No operational costs to District; operations offset by revenues
- Repair existing infrastructure
- Number of people served
- Pertinent to current needs/relevant
- Supported by 2015 Master Plan

- Project within existing parklands
- Project fully offset with funding source for construction
- Consistent with parks special use permit

Lesser Importance/Detracts

- Cost of the project high
- Matching funds required to construct
- Expands services
- Cost to operate
- Specific population served; small number of people served
- Environmental and/or building permitting costs high
- Projects not included in 2015 Master Plan
- New park property required

Yes	64.75%	371
No	35.25%	202
TOTAL		573

#	IF NOT, WHAT IS YOUR MAIN CONCERN ABOUT ALLOWING LEASHED DOGS AT CAMERON PARK LAKE? (PLEASE EXPLAIN)	DATE
1	Dog poop and dogs harassing wildlife and people	5/18/2019 6:02 PM
2	Irresponsible owners that don't follow rules, the fact there is no one there enforcing regulations as it is. Increased risk for children to get bit or be frightened. Dog poop and urine. Dogs fighting and or scaring wildlife. 100% guarantee there will be dogs off leash even with a leash-only policy. Retractable leashes are insufficient.	5/18/2019 5:51 PM
3	People not cleaning up after their pet. And dog peeing where my kids play and walk. It's unsanitary and disgusting	5/18/2019 5:49 PM
4	Owners not picking up	5/18/2019 9:32 AM
5	effect on wildlife and owners who let dogs bother people	5/17/2019 5:58 PM
6	(1) to protect wildlife;	5/17/2019 9:08 AM
7	No accountability or inforcement in place	5/16/2019 12:05 PM
8	The geese	5/15/2019 10:41 AM
9	They will disrupt the wildlife	5/14/2019 8:18 AM
10	Too much barking	5/14/2019 8:17 AM
11	Park is crowded already. Use Hacienda Park.	5/14/2019 8:15 AM
12	Dogs upset the geese	5/14/2019 8:14 AM
13	Bad dog interaction, disturbing geese, and dog poop	5/13/2019 3:59 PM
14	Aggressive dogs	5/13/2019 3:53 PM
15	People always let their dogs off their leash even though there are rules. People have fears of dogs no matter the size or temperament.	5/9/2019 11:42 PM
16	Barking, jumping and □	5/9/2019 11:16 PM

Leashed Dogs at Cameron Park Lake

17	Getting bothered by a dog. Barking. Tripping over a leash. Stepping in dog crap. My kids are afraid of dogs. The owners won't keep their dog on a leash... even if they say they will... many won't.	5/9/2019 11:11 PM
18	There is a dog park off CP dr, a park on Cambridge. The Lake should be pet free zone. Many dog owners feel their dog is trained and special. Dogs and wildlife don't match. Owners/kids with dogs will not keep dogs on leashes. Don't do it!	5/9/2019 9:40 PM
19	I am so afraid of dogs. Since they are not allowed, it is a safe place for me to be.	5/9/2019 9:34 PM
20	Owners do not always keep the leash laws, poop not always cleaned up, barking and disturb natural habitat, risk to geese and beautiful swans	5/9/2019 7:52 PM
21	Dog owners commonly overestimate their dogs' ability to behave perfectly, even when leashed, and unfortunately a lot of dog owners choose to ignore the leash rules and allow their dogs to walk freely. The waterfowl are in abundance and the Lake is their home. I can easily see dogs scaring the birds and chasing them, especially the babies. Many dogs are also barkers and I believe the human residents around the lake, as well as the birds, would not welcome the additional noise. Lastly, too often people do not clean up after their dogs. It's challenging enough to avoid the bird droppings on the lake walk. I love dogs, I have 2 of them, but I don't believe they belong everywhere.	5/9/2019 9:36 AM
22	There is enough animal waste to contend with because of the goose population.	5/9/2019 5:24 AM
23	Main concern is owners will not pick up their poop. There is already goose poop everywhere we don't need dog poop on top of that. We have a very nice local dog park. Go there.	5/9/2019 5:01 AM
24	Irresponsible dog owners who allow their dogs to bark, think the rules don't apply to them and let their dogs off their leashes, more poop on the walking path, and aggressive dogs.	5/8/2019 9:43 PM
25	I have four small children who walk with me around the lake my children are afraid of dogs and I don't like strange dogs around my children it's a safety concern	5/8/2019 9:31 PM
26	They leave too much poop and are aggressive towards runners.	5/8/2019 3:57 PM
27	Dogs have a tendency to disrupt those around them. Also I think it would have a negative impact on the wildlife.	5/8/2019 10:01 AM
28	It will change the peacefulness if the lake and may discourage the water fowl from living there.	5/8/2019 9:33 AM
29	They often jump up on people... even when leashed. I would hope that dogs would never be allowed in the lagoon portion of the lake. Too many little children around for very excited dogs	5/8/2019 9:27 AM
30	Not all dogs are well behaved, and can break away from their owners, even with a leash.	5/8/2019 9:23 AM
31	Dogs will bark and scare the wild life at the lake. This is a crazy idea and I am shocked that it is even being considered. There are terrible pet owners who don't pick up after their dogs. So along with listening to barking, everyone will have to watch out for dog poop. It's one thing to look out for poop from the wild life which is fine but having to watch out for dog poop on top of that is another story. Many people will not go to the lake anymore, if dogs are allowed and I will be one of them. Let dog owners go to a dog park, not Cameron Park Lake. I have had two dogs and love pets but one of the great things about the lake is that we enjoy hearing the wild life sounds and it is so peaceful. If you allow dogs, that will not be the case.	5/8/2019 8:42 AM
32	aggression, stress, watching dogs poop, smelling poop. The wonderful wildlife there will be chased away. No more watching baby swans, geese, ducks, etc grow into adulthood and sharing that experience with my grandchildren.	5/7/2019 11:52 AM
33	Dogs pose a real threat to the wildlife and dog waste introduces a threat to their health. A respite from the presence of dogs who are now in virtually every public space is coveted. When I was on the CSD board we approved a dog park. Dog owners have that to enjoy w/ their pets, please don't give them the keys to CP Lake.	5/6/2019 8:48 PM
34	They disturb the peace. Dog owners are not responsible and think more of their dogs than humans.	5/6/2019 6:34 PM
35	This is a nature park...plenty of dog parks in Cameron Park. I have 3 dogs and plenty of walking options. Keep CP lake for birds and other wildlife.	5/6/2019 1:27 PM
36	Noise. Barking at kids and animals or chasing animals. I love that's it's a NO dog area	5/5/2019 5:14 AM
37	Protect wildlife	5/4/2019 7:39 AM

Leashed Dogs at Cameron Park Lake

38	Too many wildlife there and the mess left by the dog	5/3/2019 4:27 PM
39	The wildlife will be impacted.	5/2/2019 7:41 PM
40	I am concerned that it will make it less peaceful. It is so nice not having to listen to dogs bark. I enjoy watching the swans and ducks ,so I don't think they will mix with dogs...	5/2/2019 7:34 PM
41	Some people do not pick up after their dogs or obey leash laws	5/2/2019 11:21 AM
42	I believe they will cause problems at the lake and they already have two parks in Cameron Park they can take their dogs too.	5/1/2019 11:06 PM
43	They will terrorize the water fowl year-round and especially their young in the springtime. Dog poop will not necessarily be collected by the owner. Who's going to enforce that they stay on-leash when some are inevitably let loose to frolic? Some dogs are excessively friendly and others are excessively aggressive - both types will annoy and/or frighten certain people despite owners' efforts to control them.	5/1/2019 8:20 PM
44	noise, poo, interaction with children/wildlife	5/1/2019 7:50 PM
45	People do not pick up after their pets and also the would scare the ducks and geese and swans.	5/1/2019 6:27 PM
46	Doo many irresponsible pet owners. Too disruptive There is a dog park for that reason. Too loud. Too disruptive to the birds	5/1/2019 4:27 PM
47	This will lead to people taking their dogs and letting them off leash.	5/1/2019 3:58 PM
48	Dogs chase runners. Dog owners do not always pick up after their dogs. Some people are afraid of dogs.	5/1/2019 3:26 PM
49	Biting children and adults, disturbing wild life, barking, dog fight.	5/1/2019 3:15 PM
50	dogs scaring the kids, owners not cleaning up after their dogs, and the smell that dog areas become	5/1/2019 3:06 PM
51	dogs are not trained well and on to long leashes	5/1/2019 2:38 PM
52	Chasing the wild life and not having to step in dog poop when visiting the lake. Who will be patrolling the dogs to be on leashes!	5/1/2019 1:05 PM
53	not all dogs are friendly, who picks up the dog poop ?	5/1/2019 12:45 PM
54	Dogs are noisy and although there is a leash law, not everyone will follow it and there probably won't be officials around to enforce it. (I've met my fair share of unleashed dogs of owners who think their dog is the exception.)	5/1/2019 12:43 PM
55	People not picking up their dogs poop, dogs in the water and noise (dogs constantly barking at the geese).	5/1/2019 12:31 PM
56	My main concern is the ducks, geese, and swans and their babies and their nests would be subject to dogs going after them, chasing them, etc., even if leashed. Dogs may frighten off the wonderful wildlife from the park. There are dog parks already so why allow them at the lake too? Let us enjoy the lake without being concerned how you keeping dogs leashed and under control. I won't ever go back to the Lake if you do allow dogs.	5/1/2019 12:10 PM
57	Dogs scaring the wildlife and owners not cleaning up after the dogs	5/1/2019 12:04 PM
58	I often see dog owners assume their dog does not need to be leashed because they are voice trained. But, there's so much wildlife it would be easy for a dog to ignore its master and harm the wild creatures.	4/30/2019 7:25 PM
59	People bring dogs to the park now even though they aren't supposed to.....they let the dogs run free because every owner believes his or her dog would never bother anyone or chase after the other wildlife and that is not true. There are dog parks and every grocery store they can go into....let us have a place for people and the existing wildlife. I had a dog for many years and we took great walks that didn't include Cameron Park Lake.	4/30/2019 9:38 AM

Leashed Dogs at Cameron Park Lake

64	There would be the noise of barking, the dogs may get off leash and kill the wildlife.	4/29/2019 11:15 AM
65	It disrupts the wildlife. Dogs create issues for families with kids and without fail people do not pick up the dog dirt. The keys leave enough dirt around the lake.	4/28/2019 6:22 PM
66	This for wild life and peaceful quiet time Dogs are disruptive and owners do not watch them or clean up after them. There are lots of nest and they have destroyed thwm already this year	4/27/2019 11:08 AM
67	Mess from dogs .. etc.	4/27/2019 10:24 AM
68	Dog waste. Rasumssen Park is a great example of why dogs on leashes are not beneficial for all. Not everyone leashes their dog. They open the ball park area and let them run free. Also some folks do not clean up after their dogs. CP already has two dog parks - leave some for people only, please.	4/26/2019 11:10 AM
69	People not picking up after their animals, barking, dogs disturbing wild life.	4/25/2019 4:02 PM
70	The lake is quiet and peaceful and it's a please to see all the bird life in a natural setting. If dogs were permitted, the lake will become just another noisy lake where dogs are constantly barking and disturbing the wildlife at the lake... along with the rest of us who go there for the quiet of nature.	4/24/2019 7:53 PM
71	I live on the lake and own a dog .have major concern about environment and birds etc and barking. not feasioble to enforce keeping dogs on leash and clean after them.	4/24/2019 8:54 AM
72	HARASSING THE SWANS GEESE AND PEOPLE, POOPING AND OWNERS NOT CLEANING IT UP. SMELL. AND NOISE FROM BARKING	4/23/2019 10:26 AM
73	I own 2 dogs but do not agree as I see it will get out of control and destory the environment . not possible for park to control .	4/23/2019 10:21 AM
74	I live on the lake. I enjoy the clean and quite environment and the b birds and other speices living on the lake. i see issue with pepole keeping dogs on leash and clean after them. i have already reported several times with dogs being loose on the lake chasing the birds etc.	4/23/2019 9:50 AM
75	even though I said yes I am worried not as many swans and geese will come	4/23/2019 7:08 AM
76	I walk at the lake to get away from dogs and to enjoy the water fowl there. Not everyone enjoys dogs - they have other parks to go to	4/23/2019 5:01 AM
77	My child has a sever allergy to animals. If he is liked by a dog he goes into anaphylactic shock. The lake is one of the few places that we don't have to have a constant guard up and be on look put just incase.	4/22/2019 11:11 PM
78	Dog waste and leash enforcement	4/22/2019 10:25 PM
79	cleanup and maintenance of the property. The community has a large number of dogs (I personally love them), and even a small number users refusing to adhere to pick up their pooch's poop would have a significant and expensive impact on the cleanliness and beauty of the lake.	4/22/2019 2:47 PM

84	You can not walk with dog close to birds. We can lost the beautiful birds in our lake	4/22/2019 10:49 AM
85	Possibly if there was a way to patrol the lake to insure dogs are leashed. Would also need to buy dispensers as folks may not clean up otherwise.	4/22/2019 9:19 AM
86	Dog owners need to be responsible for controlling their dogs and picking up poop. That is not the case now. Who is going to police the dogs and enforce the rules?	4/22/2019 9:17 AM
87	Geese and water birds want peace with their goslings and all year long they deserve this.	4/22/2019 9:12 AM

97	wild life	4/19/2019 11:02 AM
98	Not everyone will clean up after this dogs, which will be a big problem and for sure not everyone will keep their dogs on leash and will let them off to swim or whatever. I love dogs but just not at the lake!	4/19/2019 7:58 AM
99	geese, dog poop, aggressive dogs, owners not following leash rules or picking up after their dogs, other dog parks available, some people don't care for dogs or are afraid of them	4/18/2019 8:50 PM
100	People ignore leash laws and there is nothing that can be done about it. Dogs are off leash all the time in the airpark and when you confront the owner, they don't care. There is no one to police it and people who break the rules don't change their ways. Allow dogs in to the lake and within days there will be dogs off leash defecating, swimming in the lake and lagoon, harassing the wildlife and generally tearing up the grounds. There was a reason the lake was dog free to begin with. Don't cave in to the people who insist on dragging their pets everywhere. We have a dog park and its not the lake.	4/18/2019 11:17 AM

111	Even if there are signs posted and fines attached there will still be a lot of people who don't pick up their dogs poop. Also there will be people who bring their poorly behaved, barking dogs and that will completely negate the reason why I go- to take a peaceful walk around the lake.	4/16/2019 6:54 PM
112	They upset the nesting geese and swans. Some bark & lunge at walkers even if they are leashed.	4/16/2019 3:26 PM
113	I walk there because I don't have to worry about dogs jumping up on me. I am also concerned for the safety of the wildlife.	4/16/2019 2:58 PM
114	Many owners do not control their dogs even on leash.	4/16/2019 10:35 AM
115	Dog poop. Narrow trail, so even leashed dogs are a hazard. Many won't be on leashes at all. On the other hand if it made the geese go away I'm 100% in favor of dogs in the park.	4/16/2019 8:35 AM

Leashed Dogs at Cameron Park Lake

123	There will be people who do not follow the rules. You will need to add additional personnel to enforce the leash law. I can see where it will disrupt the wildlife at the lake.	4/14/2019 11:00 AM
124	Disruption to animal habitat and disruption to people enjoying the lake. We don't need dog poop!	4/14/2019 10:45 AM
125	I have lived on CP lake for 34 years, in that time I have seen people violate the no-dog rule as well as no-leash law. We have encroached on the wildlife in Cameron Park without respect and now that we have resident geese, ducks, swans, their lives would be further in danger. CP already has dog parks I don't particularly want to negotiate dogs on my peaceful walk no matter how "friendly" people think their dogs are or how "well-behaved".	4/13/2019 10:09 PM
126	People dont obey any leash lays at the other parks. Dog poop on the walking path. Dogs harassing the geese. I dont want to get bit by a dog walking past me on the small walking path.	4/13/2019 8:58 PM
127	There are plenty of other dog parks in Cameron Park. And I would be concerned about the disruption of all of the bird wildlife. Plus it's hard enough to dodge geese, let alone dogs	4/13/2019 7:18 PM
128	People are not responsible enough. There will dog dookie on the trails because people are negligent. Keep it the way it is. It's peaceful	4/13/2019 3:50 PM
129	disruption to the wildlife and peaceful atmosphere of the lake, lack of supervision and rule enforcement leading to damage to facilities and pollution from fecal matter	4/13/2019 10:56 AM

131	Disrupting animals living there. Walk path to narrow to allow dogs to pass easily without fighting. Liability, due to dog bites.	4/13/2019 10:15 AM
132	loss of peacefulness and animal habitats	4/13/2019 9:45 AM
133	People do NOT follow the leash rule, even when posted everywhere. Also dont pick up after their dogs. Aren't the dog parks enough? How about a place for just people to enjoy?	4/12/2019 2:50 PM
134	It would be impossible to police unless you had 2 people authorized to confiscate the dogs and require the owners to pick up and pay a fee. It's doubtful you could do that, so let's just keep things like they are.	4/12/2019 1:28 PM
135	toxic issue affecting the environment and birds and other living animal (per most statics dog owner do NOT clean after their dogs	4/12/2019 11:32 AM
136	The dogs must be controlled on a short leash not an expandable one. We need to protect the wildlife and geese there.	4/12/2019 11:12 AM
137	Dogs chase and kill the wild life. There are two dog parks, one within a block, and the other within a mile of the park. Older people can't get out of the way of bigger dogs. The workers of the lake have no time to take care of any dog problems. There are plenty of illegal dogs on the lake now. most off leash and I have seen no one pick up dog poop over the years. I question them, and i get the response, f... you! These are just a few of the problems. Rich Pontius 677-2149 PS I love dogs, but not on a walking path full of wild life	4/12/2019 11:01 AM

143	people are walking their dogs off leash and not picking up after them now even though they aren't allowed	4/11/2019 5:56 AM
144	There are plenty of places for dogs to play and walk. But even dog people do not pickup after there dogs. The proof is in Cameron Woods, people do not pickup after their dogs walking on the street and they don't pickup in Rasmussen Park and they supply the bags.	4/10/2019 8:42 PM
145	I have life threatening animal allergies & thisnisnonebof the few places I feel safe. Your animals have already encroached on every other activity I do including dragging them on airplanes. I like animals but they don't need to take over everything	4/10/2019 7:29 PM

148	Owners that do not watch dogs or abide by rules and poop all over	4/9/2019 7:43 AM
149	There is to much waste from ducks and geese already. Have to side step all the poop now. Also they would scare the ducks away. To many owners don't pick up after their dogs and don't care. There are alot of parks in the area that they can go to. We don't need any more.	4/9/2019 12:16 AM

159	I dog sit for my family and friends and love taking dogs with me on my walks. People just need to keep their pet on a leash and pick up poop.	4/5/2019 8:05 AM
160	Owners not cleaning up after their dogs. Parents with small children not wanting dogs around their children.	4/4/2019 6:08 PM
161	They are going to distrub the wildlife	4/4/2019 12:17 PM
162	They will distrub the geese and swans, they will be barking and they could be aggressive especially if there are other dogs around.	4/4/2019 12:10 PM
163	Some dogs will be off leash and some owners will not clean up after their dogs. There will be no enforcement and no responsibility by owners. The rest of us will just pay the price for dog owners irresponsibility.	4/3/2019 10:16 AM
164	more animal feces, there is already an abundant amount of goose and duck feces all over the park - completely disgusting and a health hazard.	4/2/2019 2:33 PM
165	having poop disposal bags and containers	4/2/2019 2:16 PM
166	Major impact and upset to park wildlife and current ecosystem. All dog owners don't always follow the leash rules and fecal disposal requirements. Cameron Park already has a dog park.	4/2/2019 12:37 PM
167	dogs either leashed or not can create chaos with ALL the wildlife, as well as ALL the people walking, running, pushing baby strollers.	4/2/2019 10:41 AM
168	Dogs desturb the wildlife. Dog poop is so much worse than goose poop. Owners say their pet is well behaved but they chase me when I run anyway. The lake is the only place I can run without having to worry if a dog will chase me down. I have even been chased by "security animals" 'cause people lie about them being trained.	4/2/2019 9:29 AM
169	Too many other animals, children, and seniors that can be injured.	4/2/2019 7:04 AM
170	People break the leash rule, it happens all the time. I see it every time I'm at Rasmussen park where I live. More dogs off a leash than on, I run & walk there and it makes it uncomfortable.	4/2/2019 6:52 AM
171	Owner not able to control dog, dogs not on leashes, too much wildlife	4/2/2019 6:50 AM
172	We already have a dog park. The paths are small. What will happen to all the fowl and babies. They are what the refuge is all about. This will cost the district more upkeep cleaning up dog poop for those owners that are not responsible.	4/2/2019 5:51 AM
173	We enjoy the peace and quiet and the geese and swans,no dogs please.	4/1/2019 9:31 PM
174	I've seen several people walking with the leash in their hand but not attached to the dog.	4/1/2019 9:28 PM

Leashed Dogs at Cameron Park Lake

175	People don't always have good control of their dog, even when on a leash. I also don't think it would be good for the geese. I've seen parents let their children torment the geese and I tell them not to. It's the same concern with dogs.	4/1/2019 8:50 PM
176	Aggressive dogs, and dog poop	4/1/2019 8:07 PM
177	But I don't trust people will pick up their poop.	4/1/2019 7:08 PM
178	I love dogs and at first I thought yes this would be OK but then I realized even if they are on a leash, it's going to bother the Swans, their young, geese. Then I realized this would bother the swans, geese, other birds and animals with barking and commotion,!	4/1/2019 6:46 PM
179	I would be concerned that people would not follow the leash law and that some would let their dogs off leash. The beauty of the lake with its water fowl is a treasure. Birds and dogs don't mix well.	4/1/2019 6:13 PM
180	Cameron Park has a unique ecological value in the western part of our county. Dogs disturb birds' (including visiting bald eagles) mating and nesting patterns. Their barking would be a noise disruption to the nature sounds at the lake, which many humans enjoy for peace of mind. Leashing dogs does not preclude dog entrance to water areas and disturbance of fish as well. Additional personnel would be needed to enforce leashing and fining persons who don't clean up their own dog poop, which can contain germs, bacteria, and parasites that can be harmful to people. Dog feces also pollutes rivers and creeks, depleting oxygen for first and other water-based life. Leashes can be extended at the discretion of the owner which would disturb the wild animals as well as people. Serious dog runners and walkers have many other places to go in our area, including loops around the American River. I observe many residents walking the CP roads safely with their pets. If the roads are unsafe, let's focus on that matter as a community with law enforcement. Fiscally speaking, we have already invested in two parks for dogs. What are the reasons that those are inadequate?	4/1/2019 4:50 PM
181	the wildlife will be adversely affected	4/1/2019 4:47 PM
182	No all will keep pets on a leash. I see it all the time in other areas. We do have the dog park, which is great.	4/1/2019 4:35 PM
183	Urin, poop and folks not following the leash rules like at Rasmussen Park. We already have 2 dog parks	4/1/2019 4:14 PM
184	People not cleaning up after their dogs, and not following the rules. Too many dog owners don't have control of their dogs.	4/1/2019 3:54 PM
185	dog stool , scaring birds and there is a dog park . They can go there	4/1/2019 3:47 PM
186	Disturbing wildlife, owners not picking up dog poop, safety of children because inevitably you will have people let dogs off leash if they are allowed at the lake	4/1/2019 3:44 PM
187	It is inevitable that some people won't clean up after their pets	4/1/2019 3:44 PM
188	unsanitary. They pee & poop all over. Even if poop is picked up it still leaves bacteria behind. Also dogs do not always get along. Some people are afraid of or allergic to dogs. At tax payers expense, we do have a dog park in town already, let them go there !	4/1/2019 3:24 PM
189	Bothering children, Bothering geese, barking, pooping	4/1/2019 3:20 PM
190	Will they KEEP their Dogs on the leash? You can still get attacked by a leashed dog! Will they all pick up the dog poop?	4/1/2019 3:16 PM
191	I think too many people will allow their dogs to be off leash- especially at the far end of the lake where it is harder to patrol. I walk with a toddler and it is nice that I do not have to keep her from running up to dogs (leashes or unleashed).	4/1/2019 3:14 PM
192	People not cleaning up after their dog.	4/1/2019 3:00 PM

197	People not following the rules, letting their dogs off leash and not picking up their dogs poop.	4/1/2019 2:12 PM
198	People not picking up their dog's poop. There is already enough bird poop to dodge.	4/1/2019 2:08 PM

199	Added pop, more allergens walking the path, its crowded enough with all the walkers!	4/1/2019 2:07 PM
200	Too many dogs. And disturbing the wildlife !!	4/1/2019 2:06 PM

7	There is goose poop everywhere so basically treat it the same as the goose poop. Of course hopefully people clean up after their dogs mess!	5/15/2019 9:09 PM

15	Don't allow dogs! It's been a great without dogs. No reason to allow.	5/9/2019 9:40 PM
16	Don't allow dogs to be there	5/9/2019 9:34 PM
17	Don't open the door by allowing in the first place	5/9/2019 7:52 PM
18	This is an expensive proposition because staff would need to become the park police with no authority.	5/9/2019 5:24 AM
19	Other than calling them out in the spot and probably starting a fight. No, I don't support enabling someone when they could very well do it themselves and choose not to. I guess you'd have to charge a dog entry fee and then hire a worker to clean up the crap because now you're asking people to pay for their dog to come into the park and I'd be like....well I paid so I'm not cleaning up my dog's poop. CSD can do it. I paid them....	5/9/2019 5:01 AM
20	There is no good way to enforce it.	5/8/2019 9:43 PM
21	Don't allow dogs in at all.	5/8/2019 3:57 PM
22	There would have to be a full time employee to police it	5/8/2019 9:33 AM
23	Do not allow dogs at any time at the lake. A lot of people will not continue to go, if you do.	5/8/2019 8:42 AM
24	This isn't currently enforced at all of the other dog parks.....	5/7/2019 11:52 AM
25	Post fine signs for infractions. Provide a couple of dog poop stations with bags available.	5/7/2019 9:00 AM
26	I've been a Lake volunteer and user, I've been ignored by violators and threatened. Staff never intervene. Disallowing dogs is the only answer. It works for wildlife and visitors .	5/6/2019 8:48 PM
27	This is why it won't work. I see dogs after hours already. People do not respect the rules. The staff should not have to clean up after irresponsible owners.	5/6/2019 6:34 PM
28	DO NOT ALLOW DOGS...problem solved.	5/6/2019 1:27 PM
29	only allowing leashed dogs around walking trail would be easy to monitor. Allowing dogs in water would not be a good idea.	5/6/2019 9:16 AM
30	I have never experienced this as a problem, simply have doggie pick up bags available at entrance and once more at bridge. Let's not overthink this.	5/3/2019 10:11 AM
31	owners should be responsible for their animals	5/2/2019 7:41 PM
32	I think it will be hard to enforce.	5/2/2019 7:34 PM
33	don't allow dogs	5/2/2019 11:21 AM
34	Call dog police	5/2/2019 7:22 AM
35	there is no way dog poop would be worse than the goose poop	5/2/2019 5:36 AM
36	There should be random days of Max enforcement where fines can be issued so people don't take it lightly.	5/1/2019 7:58 PM
37	Not enforceable	5/1/2019 4:27 PM
38	paid staff because just a park user could have back lash towards them because people seem to think they are entitled to more choices than the rules allow!	5/1/2019 3:26 PM

43	Have bags/trash cans available for use.	5/1/2019 12:55 PM
44	Fine them	5/1/2019 12:51 PM
45	that's the problem.	5/1/2019 12:45 PM
46	That's the problem isn't it. It would cost too much to have officials around to enforce the law.	5/1/2019 12:43 PM
47	Offender be put on a no access list	5/1/2019 9:54 AM
48	Use dog park on Cameron Park Drive	4/29/2019 11:48 AM
49	This will not be enforced by other park users, hire and pay someone.	4/29/2019 11:15 AM
50	I am perfectly happy without dogs in the park	4/28/2019 6:22 PM
51	the walk path is COVERED in goose poop, how do you deal with that now?	4/26/2019 12:16 PM
52	signs and dog poo bag stations	4/26/2019 12:12 PM
53	Would you please use one of the above at Rasmussen first and see if it works?	4/26/2019 11:10 AM
54	Many and convenient trash cans with dog poop bags attached like in Folsom	4/25/2019 7:55 PM
55	have disposable doggie bags available	4/25/2019 4:16 PM
56	Maybe already in place but have dog disposal bag stations for dog owners to use and dispose of droppings.	4/25/2019 10:26 AM
57	Don't allow dogs at the lake. Dogs can be walked anywhere in Cameron Park; walking trails, other parks, neighborhoods. The lake is the only place in Cameron Park where we can go to enjoy nature without the noise and annoyance of barking dogs.	4/24/2019 7:53 PM
58	not possible to enforce . even in last year i have seen pepole bring dogs to park and unleash them allowing them to chase the birds etc . i waited for an hour to see if park rangers will act before i called to report	4/24/2019 8:54 AM
59	EDSO	4/23/2019 12:29 PM
60	NOT POSSIBLE TO ENFORSE OR CONTROL	4/23/2019 10:26 AM
61	I do not see how that can be controlled.	4/23/2019 10:21 AM
62	there is not enough park rangers to contrl and enforce. this will be out of control	4/23/2019 9:50 AM
63	Dont allow leashed dogs and there will be less potential of the rules being stretched to off leash. Additionally there is a dog park not too far away. If people are not cleaning up after their pets, other pet owners may be more tolerable. With a dog park so close it does not make sense to create an issue that would have to be enforced. If pets are not allowed on leash, its less likely there will be off leash issues.	4/22/2019 11:11 PM
64	Issue a fine.	4/22/2019 12:33 PM
65	Don't allow	4/22/2019 11:28 AM
66	I don't believe the park has enough staff to enforce this program. It is unfair to burden District Park Staff with this program.	4/22/2019 9:17 AM
67	I love dogs, but water birds deserve peace without being frightened.	4/22/2019 9:12 AM
68	Everyone should help enforce the rules. Employees and residents	4/20/2019 11:37 AM
69	Won't work at all, not enforcable	4/20/2019 9:08 AM

74	not sure it can be enforced	4/19/2019 11:02 AM
75	Make dog disposal readily available like town center path....not a problem there.	4/19/2019 7:42 AM
76	SIGNS WITH FINES (ENFORCED)	4/18/2019 8:58 PM

Leashed Dogs at Cameron Park Lake

77	Don't allow them in to begin with as there is no way to police it. Everyone has enough on their plate as it is and thinking that park users can sort this out themselves is short sighted.	4/18/2019 11:17 AM
78	Do not allow dogs!!	4/18/2019 8:35 AM
79	Adequate signage to explain rules. Provide refillable poop bag dispensers.	4/18/2019 7:14 AM
80	Don't allow dogs. Enforcement is going to be impossible.	4/18/2019 6:32 AM
81	Don't allow dogs. There are plenty of dog parks. Keep the lake the way it is.	4/17/2019 6:57 PM

86	don't allow dogs at the lake. There is a dog park off cameron park drive.	4/16/2019 8:12 PM
87	I don't think there is any way to realistically enforce this.	4/16/2019 6:54 PM
88	Public shaming with video cameras	4/16/2019 6:51 PM
89	I have seen people on bikes and walking dogs. These signs are ignored. I have made comments but feel I shouldn't be doing the "policing".	4/16/2019 3:26 PM
90	Dog owners should pick up after their own dog!	4/16/2019 12:18 PM
91	No no no... protect your water fowl ducks geese birds swans. I have 4 dogs and I wouldn't even think of invading their territory	4/16/2019 11:34 AM
92	Fine	4/16/2019 10:35 AM
93	Police should patrol occasionally anyway. Already dogs and bicycles on the path with zero enforcement.	4/16/2019 8:35 AM

99	Sheriff	4/14/2019 6:23 PM
100	Just do not allow them. They can go to the dog park on Cameron Park drive	4/14/2019 3:15 PM
101	Who cleans up after the geese?	4/14/2019 12:32 PM
102	No, that's the problem with allowing dogs	4/14/2019 10:45 AM
103	There will always be people who will disrespect the rules. No one should have to pick up after anyone's dog. I love the peacefulness of the park & dogs would disrupt that peace. I use to own a small dog so I am not anti dogs.. there are other dog parks to go to. Leave the lake alone...Please don't allow dogs at the lake.....	4/14/2019 6:57 AM
104	I guarantee you it will happen. I am not willing to pay extra to have this dealt with. At least the geese have organic matter that can be reused by the park grounds. Dog poop is not organic.	4/13/2019 10:09 PM
105	By the time it gets cleaned up someone will have already stepped in it.	4/13/2019 8:58 PM
106	Don't allow dogs. I don't own a dog now but mine passed away. It's not that I'm anti dog. I'm pro geese, swans and birds	4/13/2019 7:18 PM
107	Good luck.	4/13/2019 3:50 PM
108	District Park Staff could not dog license tag number and ban or fine repeat offenders. Encourage park users to video negligent dog owners when waste is not picked up or dogs are taken off-leash.	4/13/2019 10:55 AM
109	All of the above. For the most part, responsible dog owners use peer pressure to keep other owners in line. I honestly believe if you allow dogs on the walking trail ONLY, all other worries are a non-issue. Try it first on Monday, Wednesdays and Fridays only. You'll see :)	4/13/2019 10:47 AM

Leashed Dogs at Cameron Park Lake

110	No pets allowed and enforced including cats.	4/13/2019 10:17 AM
111	Do not allow any pets, including cats in baby carriages	4/13/2019 10:15 AM
112	it would have to be staff and we do not have the funds to sustain this cost	4/13/2019 9:45 AM
113	That is the problem, people who don't follow the rules will not listen to anyone.	4/12/2019 2:50 PM
114	Unlikely enforceable.	4/12/2019 1:28 PM
115	Other dog walkers.	4/12/2019 11:46 AM
116	We try to enforce rules now, and get no cooperation at all!! Don't believe there behavior would change. Rules are now enforced by park, and users of lake. NOT WORKING!!	4/12/2019 11:01 AM
117	Security	4/12/2019 9:56 AM
118	And a three strikes and you are banned for the season rule posted	4/12/2019 9:32 AM
119	post a sign: immediate fine for clean up fee and off leash results in immediate removal from park of person and dog.	4/12/2019 9:00 AM
120	No dogs, no need to worry about clean up. CP has enough designated dog parks. Our children do not need to worry about stepping in dog poop.	4/11/2019 8:16 PM
121	1. People pay, People follow rules, Must p/u poop , dog MUST be on leash! Person must have some colored ribbon or something if buy pass for dog. If not following rules, pass taken away, and not allowed to buy the next year. If someone came in with a picture of a dog off leash, then you could send a note taking their privilege away. That way park users, staff, volunteers could help those that "think" they are above the rules. Try it for a year, if people won't abide by "rules", then don't allow it any longer and go back to no dogs in park.	4/11/2019 8:14 PM
122	I think dogs should NOT be allowed!	4/11/2019 11:08 AM
123	let dave brandi come clean up;ruebin whiskey	4/11/2019 7:31 AM

125	Whatever it takes. How about they just don't cone	4/10/2019 7:29 PM
126	Fees pay for the additional worker.	4/10/2019 7:14 PM
127	Fines. Have people register to enter. Place recepticals and bag dispensers along the trail. Level hefty fine and BAN offenders from the park. Other park users will gladly watch and report.	4/10/2019 6:57 PM

132	I'm sure someone will take a picture with their cell phone and turn them in. Have a registry with dog description and owner info with check in and check out times so you can identify dog's owner and gave an established fine in place for not following the leash rule.	4/9/2019 5:20 PM
133	Post a sign with a phone number to report people with pictures and have a \$500 fine	4/9/2019 12:37 PM
134	Ban them from the park	4/9/2019 8:00 AM
135	Don't allow dogs	4/9/2019 7:43 AM
136	Don't allow them to bring dogs in and you won't have to deal with the problems.	4/9/2019 12:16 AM
137	Take a photo and give to park staff	4/8/2019 7:07 PM
138	Provide dog waste stations with bags	4/8/2019 3:57 PM
139	Add dog bag stations as a preventive and encouraging measure for responsible dog ownership. Consider fines for those who don't comply	4/8/2019 3:20 PM
140	Fine them and 2nd offense not allowed back with dogs.	4/8/2019 2:42 PM

Leashed Dogs at Cameron Park Lake

143	Myself if I saw someone not cleaning up after their dog or dogs I would politely offer them a bag or provide bags and a place for disposal that way there is no excuse for leaving the mess . Also if that didn't change the persons thoughts I guess I would just pick it up and throw it away.	4/8/2019 10:41 AM
144	finest and banning use if repeated offences	4/8/2019 9:53 AM
145	Scouts and church groups may offer clean up days	4/8/2019 8:59 AM
146	Cameras	4/8/2019 6:54 AM
147	The rules should be posted clearly regarding leash and clean up. Most dog owners are respectful of the rules, but there's always a few that need to be reminded by peer dog owners and park staff. A station with bags and bag deposit will significantly reduce chances of a problem with waste. There will be far less dog waste than goose waste. Animal control will help with managing an unleashed dog in extreme circumstances.	4/8/2019 5:43 AM
148	Fine dog owner, ban owner from park	4/7/2019 10:12 PM
149	A volunteer to give time during the day to enforce rules? Yes. And those of us using it should remind others.	4/7/2019 9:40 PM

151	Never penalize 95% when 5% might be bad. Bad strategy	4/7/2019 6:52 PM
152	Increase taxes on community and open a new park that doesn't allow dogs for those of us who don't want to be around dogs	4/7/2019 5:22 PM
153	Add poop bag stations	4/7/2019 5:03 PM
154	Not possible to police it	4/7/2019 3:34 PM
155	All the above. Responsible people can advise violators.	4/7/2019 2:32 PM
156	same as you do for goose poop	4/6/2019 1:04 PM
157	Fines. If bags are provided, it is doubtful it will be a problem	4/5/2019 7:56 PM
158	Before you open more space for the dog owners to not follow the rules, try to enforce the existing rules. If you can do that then you move on to opening up the lake area.	4/3/2019 10:16 AM
159	Full time policing dog owners in the lake would only add to the already overburdened CSD budget. The existing dog parks seem already be working for the dog owners.	4/2/2019 12:37 PM
160	no dogs at all!	4/2/2019 7:04 AM
161	Don't allow dogs at the park. It's not the dogs it's the owners.	4/2/2019 6:52 AM
162	High school community service program	4/2/2019 6:34 AM
163	Do not allow dogs Why add more cost and all kinds of other issues Can't we just keep it simple and not cost the tax payers more money?	4/2/2019 5:51 AM
164	Application process - make sure dogs entering the area are vaccinated and issue 'cards' allowing people to bring their dogs. Also make people sign a written agreement to clean up after their dogs. The more investment people have in the process, the more they are willing to follow the rules.	4/2/2019 5:41 AM
165	Have dog owners sign an acknowledgement they understand they need to clean up after their pet	4/2/2019 5:38 AM
166	Very obvious bag dispensers (at every mile marker?) around the lake.	4/2/2019 5:36 AM
167	I don't think it will be a problem. Owners will be happy to pick up after their dogs if bag vending is available	4/2/2019 12:23 AM
168	I always clean up after my dogs, but Who cleans up the geese poop?	4/2/2019 12:01 AM
169	have disposal areas spaced around the trail and high use areas that also provide pick up bags.	4/1/2019 10:12 PM
170	No dogs, no problems!!!!	4/1/2019 9:31 PM
171	It would be difficult to enforce.	4/1/2019 8:50 PM
172	Fine them a 100.00 clean up fee and earring. After 2 warnings banned from park	4/1/2019 7:39 PM
173	Keep dogs away from food and picnic areas. Use volunteers or hire a poop patrol.	4/1/2019 7:08 PM
174	This is why I don't think they should allow dogs at the lake. How would they restrict people	4/1/2019 6:13 PM

Leashed Dogs at Cameron Park Lake

175	Just keep the dogs out, IMO.	4/1/2019 4:35 PM

177	No way to enforce this	4/1/2019 3:44 PM

182	Cameras set up	4/1/2019 3:24 PM
183	Fines	4/1/2019 3:23 PM
184	I don't really think there is a good way to enforce it.	4/1/2019 3:20 PM
185	Someone would have to posted at various parts of the lake all the time.	4/1/2019 3:14 PM
186	If dog owners are caught with off leash dogs and or not cleaningup after their dog ban them from park!!	4/1/2019 3:14 PM
187	Other dog owners will help police and pick up left waste	4/1/2019 3:01 PM
188	Should have bags and garbage cans available, maybe at both ends of the lake...similar to the Serrano lake and trail	4/1/2019 2:21 PM
189	A big hefty fine!!!	4/1/2019 2:16 PM
190	Fine for none clean up	4/1/2019 2:13 PM
191	That's the issue... who would enforce it	4/1/2019 2:12 PM
192	Dog phoo stations sponsored by local businesses	4/1/2019 2:12 PM
193	Offer dog poop bags on the specific days dogs are allowed at the lake.	4/1/2019 2:08 PM
194	It COUKD NOT BE enforced, it would fall on staff adding increase to funds that the district is already struggling with!	4/1/2019 2:07 PM

AGENDA ITEM #4: Parks & Facilities Department Report

RECOMMENDED ACTION: RECEIVE AND FILE

General Information

Christa McAuliffe Park was closed an extra week due to the recent winter-like weather. Staff was unable to mow the park until Friday May 31st. The Parks Department finished clearing the open space lots and park properties per the District Ordinance. There are a few things to touch up moving forward but the majority has been completed.

Cameron Park Lake

- The Tribe has continued clearing the tule grass along the lake shoreline. They have also been removing willow behind the lake dam, and using the willow tule grass to build tule houses for their summer activities.
- The Lagoon is up and running. The District decided to delay opening the Lagoon until Tuesday May 27th due to the weather and the cold water temperatures.
- Staff repaired the boat dock put it back in the water, along with the paddle boats.
- A 50 foot cotton wood tree fell into the Lake, along the shoreline. Staff and the Growlersburg crews have been working on removing the tree.
- Staff serviced and cleaned the concession stand and kiosk prior to opening them up for the summer.
- Staff installed a new channel drain along the exterior of the restrooms. This will allow staff to hose off the cement to keep the area clean.
- The department rented a large excavator to remove a stump from a cotton wood tree that fell this past winter.

Sports Fields

- Christa McAuliffe Park has been closed for maintenance for the majority of the month. The turf grass was aerated, over seeded, and fertilized. The field is scheduled to open on Friday May 31st.
- Staff will be repairing the decomposed granite pathway that borders Rasmussen Park. The path is in bad shape from all the rain we have seen this past winter and spring.

Parks and LLADs

- Staff repaired the damaged decomposed granite pathway at Northview Park.
- Staff and Growlersburg crews finished cutting a 30' fire break along the west side of Royal Park. Growlersburg and Cal Fire assisted District staff in dealing with a home owner along Royal Park who disagreed with the District ordinance and the fire break that was being cut. The District appreciates their help and support.
- El Dorado Weed Control sprayed out the fire break at Royal Park on May 30th. This will help prevent re-growth and future growth along the property lines.

Community Center

- Staff installed a new rubber floor in the life guard room. This will make treating injuries at the pool much safer, as well as being easier to sanitize the floor.
- Staff replaced all of the HVAC roof top filters. This is a practice that will be done every 6 months going forward.
- The District had the annual kitchen inspection by El Dorado County. Everything was in compliance.
- The State performed the annual water slide inspection on May 29th. Everything was in compliance and in good working order.

Cal Fire / Growlersburg

Growlersburg sent 2 crews to the District on May 23rd to finish clearing the open space at Dave West Park and start the brush clearing at Bonanza Park prior to Summer Spectacular. They also cleaned up the island at Cameron Park Lake, assisted staff with removing a large oak tree that had fallen earlier this month, and trimmed up the existing oak trees on the island.
