FROM THE PARKS AND FACILITIES DEPARTMENT

Warmer weather gives residents the perfect opportunity to utilize the many amenities that **Cameron Park Lake** has to offer. You are invited to fish, kayak, and canoe on the lake or if you prefer to view the lake by land, try out the 1-mile walking trail that borders the entire lake. If you are looking to entertain your children, try out the playground that is nested below majestic oak trees. Next to the playground you will find multiple tennis/pickleball courts that are consistently utilized by members of our community. Last, but certainly not least, is the 18-hole Disc Golf Course with a manned clubhouse. We hope to see you enjoying all the lake has to offer this year and don't forget to stop by the concession stands to cool off with a cold drink or an ice cream!

Are you looking for a place to take your fur-pal? **Paul J. Ryan Park** offers an off-leash dog park that is split into two sections to accommodate dog size. Enjoy the beautiful oak tree canopy by utilizing the decomposed granite trail that borders the park. Dogs need to be on leash while on the trail. The dog park is self-policing, so the District asks everyone to please be responsible, respectful and clean-up after your dog.

A MESSAGE FROM EL DORADO DISPOSAL

Do you know how to dispose of seasonal waste? Items that are commonly confused as recyclable include soil, compost, and mulch bags. Please remember when amending your soil and sprucing up your yard this spring, these items belong in your black lid garbage cart. Spring is when drivers often see plastic nursery pots placed in the recycling. These pots are recyclable, yet not in our curbside service or at the MRF due to El Dorado Disposal not having a vendor that will accept this item. Help keep these items out of the landfill by bringing to a drop off location at a Home Depot or Lowes. Drop off locations are labeled with the picture below.
