

# Water + Sun Equals FUN!

## FROM THE CAMERON PARK COMMUNITY SERVICES DISTRICT

Spring is here and Summer is approaching fast. The very thought of it will make you smile – sunshine, warm weather, and green grass; wearing shorts, flip-flops, and t-shirts; going to baseball games, pool parties, and backyard gatherings. School is out. Fun is in. Summer is liberating and you will feel good by merely thinking about it! There’s nothing better than being outside during the summer.

Before you know it, June will be here, so why not plan now for the best summer possible? The Cameron Park Community Services District (CPCSD) has plenty to offer, including awesome parks like **Cameron Park Lake** and **Paul J. Ryan Park**. **The CPCSD Summer Camp** gives kids plenty of time to be active, creative and the opportunity to make new friends. What’s summer without being in the pool? The **Aquatic Center** at the CPCSD Community Center is a perfect place for swim lessons, recreation swim, water aerobics, birthday parties, and soaking up some rays. In addition, the CPCSD hosts **Youth Summer Camp**, adult activities and great senior programs.

Summer, more than any season, provides the most opportunities for fun experiences. Take advantage of what the CPCSD has to offer. Come out and play today!

## FROM THE CC&R DEPARTMENT

Keeping Cameron Park a "Special Place to Live" requires all of us to do our part in keeping our properties clean and storing our belongings properly. Currently, the CC&R Department is working on educating residents on the proper way to store boats, trailers, motorhomes, and utility equipment. In most neighborhoods, these items are to be stored behind the fence line and screened from view. Please help our CC&R staff by doing your part to store items properly. If you would like to make improvements or additions to your RV's and equipment, an ARC Review and approval is required. For questions, please email us at [ccr@cameronpark.org](mailto:ccr@cameronpark.org).

## FROM THE PARKS & FACILITIES DEPARTMENT

Warmer weather gives residents the perfect opportunity to utilize the many amenities that **Cameron Park Lake** has to offer. You are invited to fish, kayak, and canoe on the lake or if you prefer to view the lake by land, try out the 1-mile walking trail that borders the entire lake. If you are looking to entertain your children, try out the playground that is nested below majestic oak trees. Next to the playground you will find multiple tennis/pickleball courts that are consistently utilized by members of our community. Last, but certainly not least, is the 18-hole Disc Golf Course with a manned clubhouse. We hope to see you enjoying all the lake has to offer this year and don't forget to stop by the concession stands to cool off with a cold drink or an ice cream!

Are you looking for a place to take your fur-pal? Look no further because **Paul J. Ryan Park** offers an off-leash dog park that is split into two sections to accommodate dog size. Enjoy the beautiful oak tree canopy by utilizing the decomposed granite trail that borders the park. Dogs need to be on leash while on the trail. The dog park is self-policing, so the District asks everyone to please be responsible, respectful and clean-up after your dog.
