GENERAL INFORMATION AND GUIDELINES

1. Submit the completed application, along with three (3) complete sets of plans including a site plan. The property must be staked for setback requirements prior to inspection. One copy of the application and two (2) sets of plans will be returned to you with the results of the Architectural Committee's action. The CPCSD will retain one (1) set of plans.
2. Site Plans. Color and Material Samples. For new homes or projects involving room additions, outbuildings, fencing, decking, patio/patio covers, swimming pools, and RV pads, a site plan must be submitted showing all setbacks, existing trees in relation to adjacent lots, and in relation to any existing structures on your lot. Check your CC&Rs for setback requirements. Also, exterior color and roofing material samples must be submitted with the application.
3. Fences. No new fencing shall be over six feet (6') high including any retaining wall or supporting foundation unless a variance is granted by the Architectural Committee. Fences enclosing front yards shall not be over four feet (4') high, and shall be a living fence or of open construction.
4. Tree Removal. Show location, size and species. There are specific requirements for oak tree removal. Be sure you understand what is expected.
5. Deviation from Approved Plans. If you deviate from the approved application and plans without obtaining approval of the changes, or if you are not complying with the CC&Rs, this application shall be subject to review, modification, or revocation. The owner will then be liable for all enforcement and legal costs, including attorney fees, to achieve compliance.
