Fire and Emergency Services Committee Meeting

May 10, 2016

Item 1.b. District Properties Weed Abatement Standards

The Cameron Park Community Services District owns a number of parks, open space and some segments of creek corridors. The Interim Parks Superintendent is working with the Battalion Chief Smith to assess the various parcels and to establish weed abatement standards that would be in compliance with the Cameron Park Weed Abatement Ordinance. Our goal is to present this at the June Fire Committee meeting.
