Recreation Program Updates

Submitted by: Tina Helm, Recreation Supervisor

I.A. Summer Spectacular

The 17th Annual Summer Spectacular took place on Saturday, June 25, 2016. Over 4,000 people attended the event. They visited and purchased from the exhibitors, craft and food vendors, participated at the Mobile Rock Fun Zone, swam in the lagoon, ate watermelon at the watermelon eating contest, watched Dr. Solar's show, entered the raffle at the Chamber of Commerce Booth, took the parks survey at the Cameron Park Community Services District (CPCSD) Booth, danced to the music by the variety of musicians and of course saw the best fireworks show in El Dorado County.

A draft budget from the event. (Attachment A)

Pre-sale and day of event attendance for the event was 4,034 wristbands – in 2015 it was 4,260.

Vendor feedback (5 – high, 1-low)

Booth Location	Booth Sales	Estimated # of People	Hours of Event	Advertising Ideas and Locations
4.19	2.89	3.33	3.60	3.67

Vendor feedback:

- Starting the event later in the day
- Good event just happened to fall on a triple digit day
- People not coming early because of the weather
- We had an excellent spot. We didn't sell, but we had great traffic
- Maybe start a little later in the day. Good time, thank you for having me

Fire Feedback:

- Thankful for use of Boy Scouts for the light towers
- Good communication throughout the day
- More shade tents for fire crews at Baron entrance area
- Guest parking parallel in airpark area making some places difficult for event parking
- Dust control on the trails

Bus Drivers' Feedback:

- Shuttle could have started later in the day – not many riders before 4pm
- Few used the Pleasant Grove School
- Signs on the busses were a GREAT idea
- Civil Air Patrol were awesome getting the buses in as close to the drop off location on Baron Court
- Loading/unloading at the church was super easy for both riders and drivers
- Lots of people parked at Marshall Hospital
- End of the evening was tricky as the buses had to creep along to leave with everyone else
- Drivers had an absolute blast

Security Feedback

- Patrons left in a timely manner
- Roadway on Cambridge – pedestrians on road – crosswalk CHP?
- Lighting and flow of people
- Signs of what is not allowed in
- Wagon handles – potential tripping hazards
- Shade needed at entrance – pop up
- Not all vendors had passes/wristbands

I.B. Adult Softball

The softball season has gone well so far. The goal was to have a minimum of four teams – there are seven teams playing in the co-ed league on Thursday evenings. The majority of the games have been competitive. Thursday, August 4th will end the regular season of Adult Softball, with playoffs being played on Thursday, August 11th. The winning team of our league will be eligible to register for the League Championship Series (LCS) tournament held by the Greater Sacramento Softball Association (GSSA). Teams eligible to compete in the LCS tournament are teams that are members of GSSA who have won a league in their divisions for Fall 2015, Winter 2016, Spring 2016, and Summer 2016 seasons. This is an optional tournament for teams. Budget information for the season will be available after the season has wrapped up and all invoices have been submitted.

I.C. Kayak Storage

Rack on side of dock building – purchasing in the spring, 2017.

I.D. Website updates

The August newsletter for 2015 was sent out to 3,316 recipients through mailchimp. The 2016 August newsletter was sent out to 3,530 recipients through mailchimp. This is an increase of approximately 6%.

I.E. Special Events

Community Campout

The 5th Annual Cameron Park Community Campout was held on Saturday, July 23rd through the 24th at Cameron Park Lake. The Boy and Cub Scouts involvement was great. The Scouts led a craft, decorating a walking stick. Saturday the Scouts also helped with tent set up, the cooking of the hamburgers and hot dogs for dinner, serving dinner, and clean up. They monitored the camp fire and s'mores. Sunday morning the Scouts assisted with the breakfast. Coffee for Sunday morning was donated by Caffe Santoro. The Observatory came out with their telescopes and lead stargazing. There was swimming in the lagoon, a face painter, a magic show, crafts, and campfire stories and songs. In 2015 there were 19 families that participated at the event totaling approximately 75 people. This year there were 22 families totaling approximately 100 people attending the Campout. The scouts included four families that stayed overnight.

Pooch Plunge

The Pooch Plunge/Laps at the Lake is Saturday, August 13th at Cameron Park Lake. The run/walk registration begins at 9am with the run/walk starting at 9:30am. The Pooch Plunge itself will be from 10am to 2pm in the swim area at the lake. Vendors will be at the event – those signed up include pet sitting, pet grooming, solar and food. Staff is working with members from EDDOG for volunteers at the event.

Country Fest

The Country Fest is on Saturday, September 10th at Christa McAuliffe Park from 3-8pm. Music will feature Robby James and the Streets of Bakersfield plus the Kenny Frye Band. There will be an interactive area for the kids with aqua bubble rollers, a bungee trampoline and an inflatable slide. Staff is recruiting vendors for crafts, businesses and food. A backyard BBQ competition will feature anyone who has not participated in a professional BBQ competition – they will be cooking ribs. Staff is with the Chamber on the raffle and the Cameron Park Community Foundation.

Park Survey

We have received 128 surveys to date.

II. Parks Department Updates

Submitted by JR Hichborn – Interim Park Superintendent

Cameron Park Lake

This last month the peddle boat covers arrived and are now being utilized during the weekdays. Six new picnic tables were delivered and replaced some of the ones destroyed over the last few years. Staff prepped the lake for another successful Community Campout – in addition to 150+ other reservations.

Rasmussen Park

Staff aerated, fertilized and applied a moisture control herbicide to both fields to help combat the negative effects of the intense clay soils. Staff had to repair a major mainline break on the east field. All of the trees have been trimmed and the park is ready for soccer season to start.

Christa McAuliffe Park

Staff aerated and fertilized the field to help it recover from the last Trucks & Tunes event at the park. Staff replaced several pila cords in the parking lot area. Staff also gave the park some much needed TLC with the weeds.

Gateway Park

Staff have continued to keep the entrance part of the park under control but still need to go in and remove vegetation along the perimeter of the park.

Northview Park Project

This trail project went to bid. A presentation regarding awarding the bid will be at the Board of Directors' special meeting on Tuesday, August 9th.

Park Weed Abatement

Last month staff focused efforts on the Sandpiper open lot parcels. Staff made huge progress but still will need to spend a few weeks out there to finish. We have been short-handed for the last two weeks because of fires.

Landscape and Lighting Assessment Districts (LLADs)

Regular maintenance is occurring at all of the landscaped LLADs. Northview Park has received most of the attention this past month in an effort to clear the giant open space area in the center of the park. Bar J B also received some extra TLC last month as the cotoneaster groundcover is being removed. It has become a maintenance nightmare and staff will be adding decorative bark as an alternative.

Community Center

Staff are continuing to come in very early to scrub the pool every day. Two mornings are dedicated to extra cleaning of the restrooms. With the high volume of pool usage it has been a challenge to clean them on a regular basis.

Vandalism

No vandalism last month.

Training

Staff was trained on personal protective equipment last month.

II.A. Pickle Ball Court

A contractor provided an estimate for two permanent Pickle Ball courts. The cost be \$2,000 - \$3,000 for four poles and two nets, utilizing our currently striped Pickle Ball courts. Staff is finalizing the costs.

II.B. Pool Cleaning

Staff has been coming in at 5:00am Monday through Friday and scrubbing the pool. Starting last week staff has been diverting their pool efforts on Tuesdays and Wednesdays to the cleaning the pool restrooms.

III.C. Status of Parks Superintendent

To be discussed at the meeting.
