Of the Board of Directors of the Cameron Park Community Services District

November 16, 2000

**Ordinance to Prohibit Outdoor Residential Burning Within Designated Areas
of Cameron Park Community Services District Boundaries**

Whereas, during the general election of November, 1998, the registered voters of Cameron Park Community Services District passed a ballot measure calling for mandatory refuse collection within the boundaries of Cameron Park Community Services District; and

Whereas, March, 1999, the Mandatory Refuse Collection Program began in Cameron Park, as a result of said election; and

Whereas, this program allows for unlimited refuse collection for residences in Cameron Park, inclusive of yard waste; and

Whereas, with this program in place, burning of yard waste is no longer the most expedient manner to dispose of yard waste; and

Whereas, outdoor residential burning in high population density areas does create air pollution and health hazards; and

Whereas, Cameron Park consists of mostly highly developed residential areas; and

Whereas, it is the desire of the District to reduce air pollution caused by Outdoor Residential burning within designated areas of Cameron Park Community Services District; and

Whereas, designated areas shall be defined as residential parcels less than one acre in size and within the District boundaries; and

Whereas, during the first two weeks of April and the first two weeks of November residential outdoor burning will be allowed, within regular guidelines for permits and permissive burn days.

Now, Therefore, Be It Set Forth that the Board of Directors of the Cameron Park Community Services District does prohibit residential outdoor burning on residential parcels, less than one acre in size, within the boundaries of Cameron Park Community Services District, excepting for the first two weeks of April and the first two weeks of November, within regular guidelines for permits and permissive burn days.
