Fire and Emergency Services Committee May 7, 2019

- Beginning the process to sell Engine 288. We recently sold all the equipment off of Engine 288 to the newly formed Buena Vista Fire Department in Amador County for \$40,000.
- Clean up day was a great success. 6 Explorer Firefighters, 3 Resident Firefighters, and 10 paid staff participated. The Explorer program made \$1,296.08 in donations.
- Engineer Paramedic Paul Monaco will transfer to SLU on May 20.
- Firefighter Mike Garrison gave a CPR class to 5 CSD employees.

Weed abatement summary

- Sent 248 Certified Mail Hazard Abatement Notices to local residents.
- Received approximately 20 returned/refused letters.
- Researched returned mail addresses and resent to the updated address.
- Attended the CSD Showcase on April 10. Set up our booth with the new Greater Cameron Park Area Fire Safe Council. Very educational for the public. Will be working with them for the Summer Spectacular.
- Began second round of unimproved lot inspections, showing approximately 45% of properties in compliance. We have several residents that have scheduled clearing by the end of May, so the compliance rate will increase dramatically in the next month.
- The improved lot inspectors have completed approximately 1020 inspections, about a 15% completion rate. Of those inspections, 61 homes have failed.
- Received approximately 45 phone calls from local residents regarding Weed Abatement letters and post card mailers.
